

Sponsorship Form

NJB is a Non-Profit Youth Basketball Organization that focuses on keeping children from Kindergarten to 8th Grade off the streets and in the gym. We have been established since 1984. Today NJB has blossomed into a national youth league with over 25,000 participants in 6 states. The program stresses health, fundamental skills and personal growth.

NJB has its own Chapter in your area. We are Corona / Norco NJB and cover the Corona, Norco, Mira Loma, and Eastvale area. We currently have over 160 kids in our chapter and are growing every year.

Our funding is entirely dependent upon the contribution of local businesses, individuals and players' registration fees. Your organization can help us by providing a monetary donating, goods and/or services. Below is how you can help. All donations are tax deductible.
